What is GLOSAVE?

You'll save big with the GloSave plan. It gives you a 32% discount off our standard gas rates when you pay your bill on time. Plus an additional 1% pay on time discount (33% in total) when you pay your bill by Direct Debit.

No lock in contracts, no termination fees

Free as a bird. We don't do lock in contracts. It's free to join and free to leave anytime. We also guarantee your usage and supply rates for one year from the time you join us.

Which rate applies to me?

Rates are subject to confirmation of distribution zone, network tariff, and meter type depending on the address of your site. Some postcodes share boundaries with more than one distribution area. Daily blocked consumption based on average daily consumption.

How often will I get a bill?

Normally we will bill you on a monthly basis after a meter read or estimation.

Variation of tariffs

After 12 months from the time you join us, we may update your tariff from time to time to reflect market changes and or economic factors. In a case where we do need to review and change our pricing tariffs we will notify you in writing prior to any change.
