Product Details

What is GasEasySave?

Sit back and relax, and get access to these great rates when you auto pay your bill with **direct debit from credit card**. With GasEasySave, we do not send out paper bills. Instead we **email your bill** to keep costs low. We may also send you SMS information from time to time.

No lock in contracts, no termination fees

Free as a bird. We don't do lock in contracts. It's free to join and free to leave anytime.

Which rate applies to me?

Rates are subject to confirmation of distribution zone, network tariff, and meter type depending on the address of your site. Some postcodes share boundaries with more than one distribution area. Daily blocked consumption based on average daily consumption.

How often will I get a bill?

Normally we will bill you on a monthly basis after a meter read or estimation.

Variation of tariffs

We may update your tariff from time to time to reflect market changes and or economic factors. In a case where we do need to review and change our pricing tariffs we will notify you in writing prior to any change.

For more details, please see our full terms and conditions at globirdenergy.com.au/terms-and-conditions

Other fees

In addition to the applicable tariff, you may incur additional retail charges. We only charge these fees where set out on our fees page, globirdenergy.com.au/fees.

Eligibility

The details presented in this Price and Product Information Statement are for Victorian residential customers located in the specified distribution area and subject to verification of your meter configuration. Offer only available to new customers. Further eligibility criteria may apply.

About this document

This price and product information statement is presented in accordance with the requirements of the Essential Services Commission (ESC) – the independent regulator of the retail energy industry in Victoria.
