## Product Details

### What is BOOST?

You'll save big on your energy usage with the BOOST plan. It gives you a 39% discount off our standard energy usage rates when you pay your bill on time. Plus an additional 1% pay on time discount (40% total for energy usage) when you pay your bill by Direct Debit.

### No lock in contracts, no termination fees

Free as a bird. We don't do lock in contracts. It's free to join and free to leave anytime.

### Which rate applies to me?

Single Rate all times:

This tariff consists of a fixed daily charge, and then a flat per kWh energy rate which is the same at all times of the day or night. As such the tariffs does not have a different price for peak and off peak. Although "Controlled Load" rates might apply. This tariff is the basic network tariff for general usage for most cases.

Controlled/Dedicated load rates:

These tariffs consist of rates for "time-switch" controlled hot water services, immersion heaters, space heaters and other dedicated loads, generally controlled between 11pm and 7am.

Time Of Use (TOU):

"Time of use" tariffs consist of a fixed daily rate, and different per kWh energy rates for peak times and off peak times. The peak times are generally between 7am and 11pm Monday to Friday, and all other times are off peak.

Flexible tariffs:

"Flexible tariffs" consists of a fixed daily rate, and different per kWh energy rates for peak times, off peak times, and "shoulder" times. The peak times are generally between 3pm and 9pm Monday to Friday, off peak times are generally between 10pm and 7am all week, and all other times are shoulder.

### How often will I get a bill?

Normally we will bill you on a monthly basis after a meter read or estimation.

### Electronic billing

To keep our costs, and the price you pay for power as low as possible, we prefer not to send out paper bills. Instead we normally email your bill. Paper bills are available for an additional charge.
