What is ComboElec?

You'll save big when you bundle power and gas with our ComboElec plan. It gives you a 32% discount off our standard power rates when you pay your bill on time. Plus an additional 1% pay on time discount (33% in total) when you pay your bill by Direct Debit.

No lock in contracts, no termination fees

Free as a bird. We don't do lock in contracts. It's free to join and free to leave anytime.

Which rate applies to me?

Single Rate all times:

This tariff consists of a fixed daily charge, and then a flat per kWh energy rate which is the same at all times of the day or night. As such the tariff does not have a different price for peak and off peak. Although "Controlled Load" rates might apply. This tariff is the most common network tariff in Victoria.

Controlled/Dedicated load rates:

These tariffs consist of rates for "time-switch" controlled hot water services, immersion heaters, space heaters and other dedicated loads, generally controlled between 11pm and 7am.

Time Of Use (TOU):

"Time of use" tariff consists of a fixed daily rate, and different per kWh energy rates for peak times and off peak times. The peak times are generally between 7am and 11pm Monday to Friday, and all other times are off peak.

Flexible tariffs:

"Flexible tariffs" consists of a fixed daily rate, and different per kWh energy rates for peak times, off peak times, and "shoulder" times. The peak times are generally between 3pm and 9pm Monday to Friday, off peak times are generally between 10pm and 7am all week, and all other times are shoulder.

How often will I get a bill?

Normally we will bill you on a monthly basis after a meter read or estimation.

Variation of tariffs

We may update your tariff from time to time to reflect market changes and or economic factors. In a case where we do need to review and change our pricing tariffs we will notify you in writing prior to any change.
